

him he asked me if I was going to behave myself I did not answer he asked me two or three times again if I was going to behave myself but I did not answer. He then told me to go to my seat and make up whether I was going to behave myself or not. After grammar class he asked me again would I behave myself or not at last I said I would try to. I asked him would he let me off the punishment, and he said yes. This is all I have to say.

Wednes. 16 Uncle William was out here but I did not see him. Today I was sent out of the study hall but I did not get punished. As I had not room to write in the little piece of paper I shall write it here (Setter paper) We were playing with O'Neil one of the boys when a boy came up named Joe Sucas and two or three more named John Hayes, Robert Oude and James Berge. Joe Sucas came up to me. I told him to go away that I did not want to play with him I had a stick in my hand he raised his stick and struck me on the hand. I then threw my stick and hit him on the leg then he took up his big stick and hit me on the back with it I then called him a liar and a thief then he came up to me and kicked me then a boy named Billy Marrin got between ^{TUESDAY, 14} us and told Joe Sucas not to that again then I said I would tell Sawyer one of our teachers. It was good that Mr. Sawyer was not in for if he was I would have told. Today I got 258 out of 270 and no bad notes.
